embodiment. Claims 4-20 have therefore been canceled herein, without prejudice. The application is now believed to be in condition for allowance.

Art Made of Record:

Further, Applicant is in agreement with the Examiner that the prior art made of record and not applied does not appear to be material to the patentability of the claims currently pending in this application.

In view of the above, it is respectfully submitted that this application is in condition for allowance, and early action towards that end is respectfully requested.
